CORONA - Lockheed Systems Integration (SI)
and Improved Stellar Index (ISI) contracts

By April 1965 Lockheed had spent [redacted] of corporate funds rather than sign contracts with either the AF or CIA on the above two contracts until the entire CORONA management question was settled. On 25 March LAC officials went to Washington to seek a settlement.

CORONA MGMT - Settlement 31 March 1965
MCNamara and McCone met to discuss reorganization of NRO and preliminary reports coming from the meeting indicated an improvement in CIA's position, although nothing in the way of firm decisions.

NRO review(s) completed.
